

100 for \$100K

It's Time!

This is a sample of what our POPS building could look like!

Be Part of the Praha Outdoor Performance Stage (POPS) Building Project

- Want to be part of a historic effort in New Prague to privately raise \$1 million to build community spirit, encourage family gatherings, celebrate the arts, and bring joy to music, theatre, dance, and other performers?
- Be one of “100 for \$100K” – and pledge \$1,000 between now and the end of 2025 (that’s ONLY \$30/month or \$333/year) during this special summer of ‘23 Music at the Broz fundraising program for POPS!
- The land for POPS is being donated by the city – the location will be either City Center (old Mill Pond/Creamery site), Memorial Park, or the Sliding Hill Skate Park. A decision will come this summer.
- When we raise \$1 million, construction will hopefully begin in the spring of 2025.
- Just sign this attached form and provide your name, cell phone, and email address.
- You receive the “I’m a POPS Superstar” t-shirt!
